Proposed

 the Standing
 Orders of the
 States of
 Jersey
 (P.24/2026) –
 approval for
 lodging.

A1. The Committee, with reference to its Minute No. A4 of 16th July 2026, considered a report and a proposition to amend the Standing Orders of the States of Jersey, in conjunction with the Draft Public Finances Law (States Funds) (Jersey) Amendment Regulations 202-.

It was recalled that P.24/2026 – Draft Public Finances Law (States Funds) (Jersey) Amendment Regulations 202-, had been lodged '*au Greffe*' on 4th February 2026 by the former Minister for Treasury and Resources and sought to rename the Government Plan as the Budget and replace references to the Consolidated Fund with the General Revenue Fund and the Jersey Capital Investment Fund. Subject to enactment of the Law, the Standing Orders would require amendment to reflect the updated terminology. The Committee, as previously constituted, had presented draft comments to the Assembly in connexion with the same. However, Members had decided that it would be more appropriate for the proposition amending Standing Orders to be lodged in the name of the Privileges and Procedures Committee.

The Committee was informed that Senator A.J.H.M. Maclean, Minister for Treasury and Resources, had no objection to the Committee lodging the amendments.

Having considered the report and proposition, the Committee approved the same for presentation to the States.
