| In attendance | Ben Walker, Research and Project Officer<br>Gwyn Garfield-Bennett, Communications Officer |

|                                                                                                                                                                                                                                                                                                                                                                                                                                   |           |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| <b>1. Records of Meetings</b><br><br>The Panel noted and approved the record of the meeting held on 30 <sup>th</sup> July 2025.                                                                                                                                                                                                                                                                                                   |           |
| <b>2. Declarations and Conflicts of Interest</b><br><br>The Chair informed the Panel that his wife was working in healthcare, within a sector that was currently unregulated, but within scope of the Draft Regulation of Care.                                                                                                                                                                                                   |           |
| <b>3. Correspondence: Minister for the Environment</b><br><br>The Panel noted and approved correspondence to the Minister for the Environment confirming the launch of the Panel's review and requesting information about any sub-ordinate work to follow from the Draft Regulation of Care (Jersey) Amendment Law 202- (P.57/2025). The Panel discussed and agreed its next steps.                                              | <b>BW</b> |
| <b>4. Terms of Reference and Scoping Document</b><br><br>The Panel noted and discussed the updated draft Terms of Reference and Scoping Document for its review. The Panel discussed and agreed its approach in relation to private and public hearings and requested that the Officer draft a timeline of potential private and public hearings for the Panel consider and approved at its next scheduled meeting.               | <b>BW</b> |
| <b>5. Expert Advisor</b><br><br>The Panel discussed potential engagement with an expert advisor to support the Sub-Panel's review. The Panel agreed to monitor the need for an expert advisor as its review progressed and requested that the Officer include budget in the Panel's scoping documentation, for approval by the Scrutiny Liaison Committee, should the Panel decide an expert advisor for its review was required. | <b>BW</b> |
| <b>6. Future Meetings</b><br><br>The Panel agreed that its next scheduled meeting would take place on Thursday 21 <sup>st</sup> August 2025 at 9:30am.                                                                                                                                                                                                                                                                            |           |

## Regulation of Care Review

### Record of Meeting

Date: 5<sup>th</sup> September 2025

|               |                                                               |
|---------------|---------------------------------------------------------------|
| Present       | Deputy Karen Wilson, Vice Chair<br>Deputy Helen Miles, Member |
| Apologies     | Deputy Tom Coles, Chair<br>Deputy Jonathan Renouf, Member     |
| In attendance | Ben Walker, Research and Project Officer                      |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                            |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|
| <b>1. Records of Meetings</b><br><br>The Panel noted that the records of the meetings held on 6 <sup>th</sup> and 21 <sup>st</sup> August 2025 would follow for Panel approval in due course.                                                                                                                                                                                                                                                                                                             | <b>BW</b>                  |
| <b>2. Declarations and Conflicts of Interest</b><br><br>The Panel noted no changes in the declarations and conflicts of interest following the Panel's previous meeting on 21 <sup>st</sup> August 2025.                                                                                                                                                                                                                                                                                                  |                            |
| <b>3. Law Officers Department/Legislative Drafting Office advice</b><br><br>The Panel noted and discussed draft questions to the Law Officers Department and Legislative Drafting Office in relation to the wording and enforceability of the Draft Regulation of Care (Jersey) Amendment Law 202-.<br><br>The Panel agreed a number of changes and approved the questions to the Law Officers Department and the Legislative Drafting Office.                                                            | <b>BW</b>                  |
| <b>4. Stakeholder correspondence</b><br><br>The Panel noted written correspondence sent to external stakeholders on 2 <sup>nd</sup> September 2025, that requested submissions to the Panel's review of the Draft Regulation of Care (Jersey) Amendment Law 202-, with a response deadline of 2 <sup>nd</sup> October 2025.<br><br>The Panel noted that draft correspondence to the Minister for Children and Education and the Health Advisory Board would follow for Panel consideration in due course. | <b>BW</b>                  |
| <b>5. Private and Public Hearings</b><br><br>The Panel noted that a Private Hearing had been provisionally scheduled with the Patients and Users' Public Engagement Panel from 9:30am to 11:00am on 25 <sup>th</sup> September 2025. The Panel discussed and agreed potential areas of questioning.<br><br>The Panel noted a schedule of Public Hearings to take place with the Jersey Care Commission on 29 <sup>th</sup> September 2025, Minister for the Environment on 9 <sup>th</sup> October        | <b>BW</b><br><br><b>BW</b> |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |           |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| 2025 and the Minister for Health and Social Services on 10 <sup>th</sup> October 2025 and discussed and agreed areas of questioning.                                                                                                                                                                                                                                                                                                                                                                    |           |
| <p><b>6. Review timeline</b></p> <p>The Panel noted correspondence received from the Minister for the Environment on 3<sup>rd</sup> September 2025 confirming his intention to defer the States Assembly debate on the Draft Regulation of Care (Jersey) Amendment Law 202- (P.57/2025), from 8<sup>th</sup> September 2025 to 11<sup>th</sup> November 2025.</p> <p>The Panel noted and discussed its revised timeline for its review of the Draft Regulation of Care (Jersey) Amendment Law 202-.</p> |           |
| <p><b>7. Future Meetings</b></p> <p>The Panel requested that the Officer find a suitable date for the Panel to hold its next scheduled meeting.</p>                                                                                                                                                                                                                                                                                                                                                     | <b>BW</b> |

| In attendance | Ben Walker, Research and Project Officer                                                     |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |           |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| <b>1. Records of Meetings</b><br><br>The Panel noted and approved the records of the meetings held on 6 <sup>th</sup> and 21 <sup>st</sup> August 2025.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | <b>BW</b> |
| <b>2. Declarations and Conflicts of Interest</b><br><br>The Panel noted no changes in the declarations and conflicts of interest following the Panel's previous meeting on 5 <sup>th</sup> September 2025.                                                                                                                                                                                                                                                                                                                                                                                                                                |           |
| <b>3. Regulation of Care (Standards and Requirements) (Jersey) Regulations 2018</b><br><br>The Panel noted that questions about the wording of the Regulation of Care (Standards and Requirements) (Jersey) Regulations 2018 had been sent to Government Officers on 11 <sup>th</sup> September 2025, and that a response was due by 19 <sup>th</sup> September 2025.                                                                                                                                                                                                                                                                     |           |
| <b>4. Public Hearing: Jersey Care Commission</b><br><br>The Panel noted that it was scheduled to receive the Jersey Care Commission for a Public Hearing on Monday 29 <sup>th</sup> September at 9:30am and discussed the draft question plan.<br><br>The Panel agreed a number of changes to the question plan and requested that the Officer make the changes and circulate the question plan for Panel consideration and approval.                                                                                                                                                                                                     | <b>BW</b> |
| <b>5. Hearings</b><br><br>The Panel noted that the Private Hearing with the Patients and Users' Public Engagement Panel had been cancelled following written correspondence with the Patients and Users' Public Engagement Panel, and that a request would instead be made for the Patients and Users' Public Engagement Panel to provide a written submission.<br><br>The Panel noted the remaining schedule of Public Hearings to take place with the Minister for the Environment on 9 <sup>th</sup> October 2025 and the Minister for Health and Social Services on 10 <sup>th</sup> October 2025 and discussed areas of questioning. | <b>BW</b> |
