

REDRESS, ACCOUNTABILITY AND COMPLAINTS SYSTEMS IN JERSEY: What do you think?

Do you have **experience** of using a **complaints system** in the Government of Jersey, States Assembly, Court System or Parishes?

Was the experience **good or bad**?

We want to hear your views and experiences of these systems to help inform our review

Please note this review **cannot** assist in the resolution of ongoing personal cases or grievances. If you raise a **safeguarding or criminal** matter with us we will work with you to refer it to the most appropriate agency to deal with it.

Your views will normally be published on the States Assembly website but we reserve the right not to publish them. Any views you wish to remain confidential will not be published in accordance with Data Protection legislation. For more info, please visit statesassembly.gov.je/scrutiny or email us.
