1) Name and brief description of the proposed decision The subject of your CRIA may be a proposed law, policy or proposition and in accordance with the Law is referred to in this template as the 'decision' • What is the problem or issue the decision is trying to address? • Do children experience this problem differently from adults?
Draft Trade Marks (Jersey) Law 202- The Draft Trade Marks (Jersey) Law 202- law aims to establish a system of primary registration for Trade Marks in Jersey.
2) Which groups of children and young people are likely to be affected? Groups of children could include early years, primary or secondary education; young adults; children with additional learning needs; disabled children; children living in poverty; children from particular ethnic backgrounds; migrants; refugees; care experienced children and LGBTQ+ children The provisions in the Draft Trade Marks (Jersey) Law 202-are not likely to impact any specific children's rights articles. The provisions in the Draft Trade Marks (Jersey) Law 202- are not likely to impact any specific groups of children.
3) What is the likely impact of the proposed decision on children and on their rights? • Identify any potential positive OR negative impacts and include indirect impacts on children and their rights as described in the UNCRC • Will different groups of children be affected differently by this decision? We do not anticipate the provisions in the Draft Trade Marks (Jersey) Law 202- to negatively impact on children in Jersey or their rights.
4) Is a full Children's Rights Impact Assessment required? If you have identified impacts on children and their rights, a full CRIA should be completed. If no impacts are identified then a Full CRIA is not required, but please explain your rationale and how you reached this conclusion It is not considered that a full CRIA is required. This is because we have identified no specific impact within the provisions of the Draft Trade Marks (Jersey) Law 202- on the rights of children.
