CHILDREN'S RIGHTS IMPACT ASSESSMENT (CRIA)

PART 1: SCREENING

Name and title of Duty Bearer:	Deputy V. Li of St. Helier North
Type of Duty Bearer: (Minister, Elected Member or States Assembly Body)	Elected Member
Assessment completed by (if not completed by duty bearer):	Members' Resources
Date:	24/11/2026

1) Name and brief description of the proposed decision 'Decision' means: • an Assembly proposition • an amendment (or further amendment) to a proposition • for Ministerial duty-bearers, policy under development
This amendment restores funding for school fields and play space that the Assembly approved last year and that is missing from this Budget.
2) Which groups of children and young people are likely to be affected? Groups of children could include early years, primary or secondary education; young adults; children with additional learning needs; disabled children; children living in poverty; children from particular ethnic backgrounds; migrants; refugees; care experienced children and LGBTQ+ children
Most children as this relates to school fields and play space.
3) What is the likely impact of the proposed decision on children and on their rights? Impacts may be positive or negative, direct or indirect Include whether different groups of children will be affected differently by the decision
Positive impact, improvement of social and community facilities for children. Greater positive aspects for children who may have limited access to open spaces.
4) Is a full Children's Rights Impact Assessment required? If you have identified impacts on children and their rights, a full CRIA should be completed. If no impacts are identified then a Full CRIA is not required, but please explain your rationale and how you reached this conclusion
A full assessment is not required under the Law. It should be noted that this amendment seeks to reinstate missing funding – projects brought forward that are in receipt of this funding would need to have a full CRIA.
