

2025.07.08

4.17 Deputy T.A. Coles of St. Helier South of the Minister for Infrastructure regarding the toilet block at West Park (OQ.167/2025):

Will the Minister provide details of the works being undertaken at the toilet block at West Park, including whether or not it will reopen as a toilet again and when the work is due to be completed?

Connétable A.N. Jehan of St. John (The Minister for Infrastructure):

I am pleased to report that the work at the West Park toilets is now complete. It is currently undergoing legionella testing before the facility is reopened, which I hope will be next week. The work on the toilets has been aimed at improving accessibility, making them more durable and vandal resistant.
