Item 4 27.05.16 515/37	2. Dormant Bank Accounts (private briefing) The Panel welcomed the Assistant Minister with responsibility for Financial Services (Senator P.F.C. Ozouf), the Director, Financial Services and the Director, Finance Industry Development for a detailed private briefing and discussion of issues surrounding P.25/2016 (Draft Dormant Bank Accounts (Jersey) Law 201-). The discussion highlighted a need for more information and assurances to be provided for States Members within the draft legislation. The Assistant Chief Minister offered to amend the proposition to provide various improvements. Following the meeting the Panel decided that provided the Assistant Chief Minister's draft amendment delivered the promised changes, the Panel would not lodge amendments of its own.
