1) Name and brief description of the proposed decision

The subject of your CRIA may be a proposed law, policy or proposition and in accordance with the Law is referred to in this template as the '**decision**'

- What is the problem or issue the decision is trying to address?
- Do children experience this problem differently from adults?

The amendment makes the following changes to the Draft Sea Fisheries (Minimum Size Limits) (Jersey) Amendment Regulations 202- and the commencement date of the change to minimum size for lobster is moved from 16th September 2025 to 13th October 2025.

As with the Draft Sea Fisheries (Minimum Size Limits) (Jersey) Amendment Regulations 202- children are not affected more than adults.

2) Which groups of children and young people are likely to be affected?

Groups of children could include early years, primary or secondary education; young adults; children with additional learning needs; disabled children; children living in poverty; children from particular ethnic backgrounds; migrants; refugees; care experienced children and LGBTQ+ children

There are no specific groups of children or young people affected by this proposition.

3) What is the likely impact of the proposed decision on children and on their rights?

- Identify any potential positive OR negative impacts and include indirect impacts on children and their rights as described in the UNCRC
- Will different groups of children be affected differently by this decision?

This amendment does not impact on children and on their rights.

4) Is a full Children's Rights Impact Assessment required?

If you have identified impacts on children and their rights, a full CRIA should be completed. If no impacts are identified then a Full CRIA is not required, but please explain your rationale and how you reached this conclusion

No.
