4.2 Deputy J. Renouf of St. Brelade of the Minister for Infrastructure regarding the expressions of interest process for Les Creux Pavilion. (OQ. 29/2026):

Will the Minister provide an update on the expressions of interest process for Les Creux Pavilion?

Connétable A.N. Jehan of St. John (The Minister for Infrastructure):

I thank the Deputy for his question. The Deputy and his fellow District representatives will be aware that our discussions with the Jersey Community Land Trust have now concluded amicably. I am pleased to confirm that discussions are progressing with various parties towards the agreement of a lease for the future use of Les Creux. These are now at a sensitive and confidential stage, and I expect that we will be in a position to provide a further public announcement in the next 2 weeks. I will aim to keep Parish representatives informed in the first instance, as I have sought to do in recent weeks.

4.2.1 Deputy J. Renouf:

I appreciate the Minister's comment that this is a sensitive matter. He says that discussions with the Jersey Community Lands Trust have concluded amicably. Can he provide any information on what the resolution of those discussions was?

The Connétable of St. John:

I understood that Deputies have been circulated a copy of correspondence in confidence. I can confirm that we are not proceeding with the Jersey Community and Land Trust and in their correspondence, which I believe was circulated, I was pleased to see them praise officers in Jersey Property Holdings for their work during this process.

The Deputy Bailiff:

Are there any further questions for the Minister for Infrastructure in relation to this question? Supplementary? I think if you ask a supplementary, it is a first time round when I ask you I think you do get a supplementary but if a number of ... sorry, that is if another Member raised a question so perhaps, no, you do not get a supplementary on this occasion. Sorry.
