"Will the Chair explain why, notwithstanding that the Children (Convention Rights) (Jersey) Law 2022 requires a Children's Rights Impact Assessment (CRIA) to be produced only where a proposition may have a direct or indirect impact on children, the States Greffe continues to expend resources in asking that a CRIA be provided with each proposition?"

- OQ.254/2025 12. Deputy D.J. Warr of St. Helier South will ask the following question of the Minister for Health and Social Services –
- “Further to concerns raised this year by the Director of Mental Health regarding the practices of prescribing medicinal cannabis for Islanders with serious mental health problems and given that, according to the Cannabis-Based Products for Medicinal Use Dispensing Audit, 6% of Jersey’s working population received a prescription compared with 0.05% in England, will the Minister explain what action he is taking in this area to protect Islanders’ mental health?”
