1) Name and brief description of the proposed decision The subject of your CRIA may be a proposed law, policy or proposition and in accordance with the Law is referred to in this template as the 'decision' • What is the problem or issue the decision is trying to address? • Do children experience this problem differently from adults?
A proposed law to transfer the undertaking of Jersey Mutual Insurance Society to Jersey Mutual Insurance Society Limited, a company limited by guarantee, on restructuring the Society to a guarantee company, and for connected purposes. Children will not experience any changes arising from this decision differently from adults if adopted by the States.
2) Which groups of children and young people are likely to be affected? Groups of children could include early years, primary or secondary education; young adults; children with additional learning needs; disabled children; children living in poverty; children from particular ethnic backgrounds; migrants; refugees; care experienced children and LGBTQ+ children
There are no specific groups of children that are likely to be affected by this decision.
3) What is the likely impact of the proposed decision on children and on their rights? • Identify any potential positive OR negative impacts and include indirect impacts on children and their rights as described in the UNCRC • Will different groups of children be affected differently by this decision?
There are no specific groups of children that are likely to be affected by this decision and there is no obvious direct relationship with the rights of children as described in the UNCRC.
4) Is a full Children's Rights Impact Assessment required? If you have identified impacts on children and their rights, a full CRIA should be completed. If no impacts are identified then a Full CRIA is not required, but please explain your rationale and how you reached this conclusion
There are no specific groups of children that are likely to be affected by this decision and there is no obvious direct relationship with the rights of children as described in the UNCRC.
