Dear Minister,

Request for Information on the Jersey Graduate Teacher Training Programmes

The Children, Education and Home Affairs Scrutiny Panel (the Panel) would be grateful to receive an update on the teacher training programmes on offer in Jersey following communications we have received from members of the public.

In particular, we would welcome any comments that you may be able to share about:

1. Details of the teacher training programmes available in Jersey;
2. Details of the criteria for applicants on each training programme;
3. Residency requirements for teacher training programmes;
4. Whether there have been any changes to the entry requirements since last year;
5. Number of applicants for each training programme for the last three years;
6. Number of spaces available on each training programme for the last three years;
7. Number of attendees on each training programme for the last three years;
8. Number of attendees who completed each training programme for the last three years; and
9. Number of teacher vacancies on Island for the school year starting September 2025.

Thank you in advance for your assistance. The Panel looks forward to your formal response, which we would be grateful to receive by 23rd July 2025.

Yours sincerely,

Deputy Catherine Curtis
Chair, Children, Education and Home Affairs Scrutiny Panel
