Dear Minister,

The Panel would like to thank you for your comprehensive response setting out your ministerial priorities and forthcoming programme of work.

For the Panel's reference, could you please confirm whether it has now been formally finalised which laws and legislative responsibilities fall under your Ministerial remit as Minister for the Environment? The Panel would welcome a consolidated overview of the legislation and responsibilities for which you are accountable.

We would be grateful to receive an initial written update no later than **4th September**.

Please note it is our usual practice to publish all correspondence online on the States Assembly website. However, should there be any updates which are deemed Freedom of Information exempt, please do make this known in your response.

Yours Sincerely,
