Dear Chair

Regulation directorate

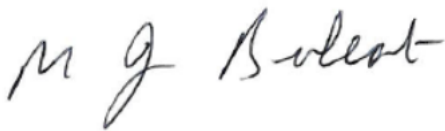

Thank you for your letter dated 26 August 2026 in which you requested details about organisational resilience, service delivery and strategic oversight of the Regulation directorate.

Although I cannot provide specific details on what is an internal staffing matter, I can confirm that there has been no change in relation to existing teams, existing priorities or existing statutory responsibilities. The Regulation directorate is functioning as normal, with no risk to operational delivery.

There has, of course, been some adjustment as staff get used to the absence of the former Group Director of Regulation. However, I have been hugely encouraged by their resilience and commitment to ongoing service delivery.

Arrangements are in hand to appoint a successor. In the meantime, responsibilities are being assumed by the existing staff, as would be expected in any internal HR matter such as this.

Yours sincerely

Senator Sir Mark Boleat
Minister for Planning and Regulation
