Dear Deputy Inna Gardiner

Response to Public Accounts Committee (PAC)

I refer to your letter received via e-mail on 6 August 2025 titled "Arm's Length Bodies, Grants and Subsidies Review".

The Jersey New Waterworks Company Limited, trading under the name of "Jersey Water" is an independent public company, with the States of Jersey owning a controlling interest and significant (c.83%) of the voting rights held.

In the last five years Jersey Water has not received any grants, subsidies or sponsorship from the States of Jersey.

To assist in your review, please be advised that the last 5 years' Annual Report and Accounts can be found on our website at the following link:

Our Annual Reports provide the relevant information to assist in your review.

If you have any further queries, please do contact me.

Your sincerely
